12/11/12 Warm Up

Mean - The normal average of all the numbers

Median - The middle number when the list is in numerical
order. If there are 2 middle numbers, then you
take their average.

Mode - The number that occurs <u>most</u> often.

Find the mean, median and Mode.

① 3, 1, 4, 1, 5, 9, 2, 6, 5, 3, 5, 9

② 1, 3, 7, 1, 8, 2

③ 10, 15, 20, 25, 1
